

Dear clients,

We hereby would like to inform you that from **June 17, 2019** will start a procedure for planned upgrade of the POS terminal devices of UniCredit Bulbank AD so that transactions will be possible with payment and prepaid **Diners Club International** branded cards.

The merchant service fee, which is payable when a transaction is made with a payment or prepaid card of the brand Diners Club International, includes also the exchange fee and the scheme fee and its amount is as follows:

Transactions with Diners Club International branded cards issued by:	Consumer debit/prepaid cards	Consumer credit cards	Corporate cards
	Fee	Fee	Fee
Payment services providers with registered office in the European Union and the European Economic Area	1.20%	1.60%	1.80%
Payment services providers with registered office outside the European Union and the European Economic Area	1.80%	1.80%	2.00%

The merchant service fee, which is payable when a transaction is made with a payment or prepaid card of the brand Diners Club International, is in the amount specified in the above table, unless other amount of the merchant service fee is agreed between UniCredit Bulbank AD and the client with regard to the payment and prepaid Visa and Mastercard branded cards that UniCredit Bulbank AD accepts. In such case the merchant service fee, which is payable when a transaction is made with a payment or prepaid card of the brand Diners Club International, shall be equal to the merchant service fee agreed between UniCredit Bulbank AD and the client for transactions made with a payment or prepaid Visa or Mastercard branded card.

The amount of the exchange fee for the card transactions made with payment or prepaid Diners Club International branded cards issued by payment services providers with registered office in the European Union and the European Economic Area is up to 0.2% for consumer debit/prepaid cards, up to 0.3% for consumer credit cards and up to 2% for corporate cards.

The amount of the scheme fee for all types of card transactions made with payment or prepaid Diners Club International branded cards issued by payment services providers with registered office in the European Union and the European Economic Area currently is 0.25%
