

**Interest Rate Bulletin
of UniCredit Bulbank AD**

applicable to individuals

With reflected amendments valid as from 01.12.2022

I. General interest rate conditions:

The interest rates which the Bank accrues and pays on current, saving and deposit accounts are subject to negotiation and are influenced by market interest rates of domestic and international markets, concrete juncture conditions and interest rate policy of the Bank.

1. The Bank defines in an interest rate scale the marginal interest rates on current, deposit, accumulating, saving and special purpose accounts, on change of the market conditions the same are changed by decision of the Assets and Liabilities Committee of the Bank.

2. The interests are calculated on basis:

- 2.1. on current accounts - 360/360 days;
- 2.2. on saving accounts – 360/360 days;
- 2.3. on time deposits with term 1 month and above 1 month - 360/360 days;
- 2.4. on time deposits with term below 1 month, as well as some special term deposits, explicitly determined in the product conditions – real number of days/real number of days;
- 2.5. on securities - 365/365 days.

3. Frozen funds in foreign currency for collateralization of undertaken by the Bank commitments:

- 3.1. in case the funds are formed as deposit – the interest rates on deposits in the respective foreign currency;
- 3.2. in case the funds are not formed as deposit – the interest rates on current accounts;
- 3.3. the principals and the interests under granted loans, as well as the interests on deposit and current accounts, are accrued, collected and respectively paid in the relevant foreign currency, unless otherwise agreed upon.

II. Other conditions:

1. The accumulating at interest on deposit accounts is made on maturity date after expiration of contracted deposit term under interest rates fixed and contained in the Enclosures for leva and foreign currency accounts to the present Interest Bulletin valid for the accrual period. At deposit maturity in extension of contract operation for a new tenor, the Bank reserves the right to define new interest rate depending on the market interest rates in force at the day of deposit renewal.

2. Current, saving and other special purpose accounts are accumulating at interest annually or according to the specific products' conditions. In case the Bank changes the applicable interest rate on them, the new interest rate enters in force as from the date of the change.

3. Upon breaking the terms and conditions of time deposits the Bank pays interest rates applicable to current accounts in the respective currency except for time deposits with explicitly specified other conditions.

4. The Bank reserves its right to change unilaterally the interest rates on products in the present Interest rate Bulletin by announcing this preliminarily in a prominent place within its halls for clients.

5. The Bank does not accumulate an interest on accounts with balances below the minimum ones.

Note: The funds on the accounts with UniCredit Bulbank are guaranteed in accordance with the requirements of the Bank Deposit Insurance Act."
